After four years of drought in small town in the Northeast, the priest gathered everyone together for a pilgrimage to the mountain, where they would pray together and ask for the rain to return. The priest noticed a boy in the group wearing a raincoat. “ Have you gone mad? he asked. “ It hasn’t rained in the region for five years, the heat will kill you climbing the mountain.” The boy replied, “ If we are going to ask for rain, can you imagine the way back from the mountain. It’s going to be such a downpour that I needed to be prepared.” At that moment a great crash was heard in the sky and the first drops began to fall.
