**INDIAN SCHOOL SOHAR**
SESSION: 2020-2021
Art Integrated Project
CLASS: VI
SUBJECT: MATHEMATICS

Dear students,

Holidays are the days when everyone likes to relax and enjoy as well as utilize it judiciously. It is the time when we get along with our friends and family. On shorter holidays people like to relax at home spending time taking up their hobbies which keep their brain active. Therefore this activity has been designed to keep your brain active over this short break.

Create a picture collage which involves the given topic.

TOPIC: 2-D SHAPES OR 3-D SHAPES

Learning Outcome:

- ❖ Students will be able to visualize, understand and identify the different 2-D shapes and 3-D shapes around us.
- ❖ Students will develop interest in discovering shapes around us.

Assessment:

Assessment will be done in the following subjects. Marks will be awarded for internal assessment.

Subjects Integrated: Mathematics and Art.

Date of Submission: 5th July 2020

The activity will be assessed upon the following criteria.

A hand is holding a blue rectangular card with the words "Thank you" written in white, bold, sans-serif font. The card is positioned over a white computer keyboard. The keyboard has several keys visible, including a key with a hash symbol (#), a key with the number 1 and the word "Ende", and arrow keys. The background is a solid blue color with diagonal lines. The overall image conveys a message of gratitude in a digital or office context.

Thank you
