

## INDIAN SCHOOL SOHAR

### CCA CLASSROOMS - JUNIOR AND SENIOR

ISS/WEBCIR/006/20-21

04-06-2020

Dear Students,

Engagement in co-curricular activities is a means of educating the whole student, providing an opportunity for the integration of academic, and personal development. In the next phase we at Indian School Sohar are developing co curricular activities that are adaptable and accessible in online learning environment.

Two Google classrooms have been created for this purpose Junior for the classes I to V and senior classes VI to XII. Students can find activities related to music, dance, physical education, library, art and craft and many others. The codes for the classrooms are :-

Junior – kdwh7a3

Senior – rpox5u7

These activities can be performed during weekends or long holidays.

We believe the activities will be productive, help you learn and keep you engaged during this lockdown period.

**All the students must follow proper netiquettes, online discipline and never share their official mail id and password.**

Stay Home, Stay Safe.

Sanchita Verma  
Principal
