

Dear Children,

Summer vacations are full of fun, frolic, playing for longer hours with friends, going for picnics, exploring new places and what not. Here are a few things you can do with your family and friends.

Read books. Do you know why?

- Reading can unlock the key to a new world of information. It develops vocabulary, language skills and improves spelling.
- Suggested books for reading: Bed Time Stories, Akbar and Birbal, Champak, Tenali Raman, Tinkle OR any other stories of your choice.

* <u>A Healthy mind lives in a healthy body</u>

- Play outdoor games. Go cycling, swimming, play badminton, cricket, kho-kho, hide n' seek.....anything that will make you run.
- Play board games eg. chess, ludo, carrom, etc.

* Manners at home

- Be polite to your friends, brothers and sisters.
- Inculcate good manners Use 4 magic words 'Please, Thank you, Excuse me, Sorry' and see the difference.

- Help your parents to keep the house clean. Do small household jobs like dusting, watering the plants, laying dinner table and so on. Keep your room clean and well organized.
- * Try to make your own bed, learn to wear clothes and tie your shoe laces yourself.
- * Try to keep away from phone and computers. Instead join a hobby class.

- Revise all the work done in the class so far.
- Practice Handwriting in your Rough book every day.
