

INDIAN SCHOOL SOHAR
SESSION: 2022 - 23
PARENT ORIENTATION PROGRAMME
STD. XII

Dear Parents,

The POP is a fantastic opportunity for parents to know what to expect in the coming year and also equip themselves for it and to maintain a healthy rapport between parents and teachers by vocalizing their hopes, concerns and problems and finding apt solutions, which cater to the successful completion of the education of a child. The foundation for a good parent-teacher relationship is frequent and open communication, mutual respect and a clear understanding of what is best for each individual child. In order to provide proper guidance to the children, it is necessary that every parent is in touch with the curriculum and evaluation. Please refer to the CBSE website at www.cbse.gov.in for the latest updates and the school website at www.indianschoolsohar.com for all the circulars issued by the school and other updates. Together let us ensure their progress!
