**Section A - Reading**

**1. Read the following passage and answer the questions that follow:**

The International Kite Festival, called Uttarayan, is held on 14<sup>th</sup> January in Ahmedabad every year. It is celebrated on the occasion of Makar Sankranti. The festival celebrates the change of seasons- the end of winter and the beginning of spring. During this time of the year, the sky is blue and a cool breeze blows. There is happiness all around.

During the Kite Festival, expert kite makers and flyers come from around the world and speckle the sky with colourful designer kites. There is festivity all around, and people fly kites from dawn to dusk standing on the crowded rooftops. At night, illuminated box kites light up the sky. These kites are called Tukkals.

Feasting is an important part of this festival, just like all other festivals celebrated in India.

Undhiyu (mixed vegetable dish of Gujarat ), til chikki and jalebi are served to all.

**A. Fill in the blanks:**

**( $\frac{1}{2} \times 4 = 2$ )**
