**I. Read the passage carefully and answer the questions:** (1×4=4)

It was a very pleasant day. A cool breeze was blowing. Rahul and Rishika were quite excited. Their mother was taking them to an Amusement Park. She had already kept a five-hundred rupee note to pay for the joy-rides. But when she opened her purse to take out something, the note just flew away. Both the children ran after it but they could not find it. “Sorry dear”, said their mother. “We have to cancel the programme. I don’t have more money today.” “It is all right, Ma,” said the children though they were disappointed. “Since we are not going out, let us clean and decorate the house,” Rishika suggested. “I’ll bring some flowers and put them in the flower-vase,” said Rahul. As he went out to pick some roses, there lay the five-hundred rupee note stuck among the roses. He shouted with joy to see the note.
