Dear Colleagues

Warm Greetings!

As you know, the Board's initiative to offer tele-counselling services to the students in need is committed to providing guidance and support beyond the classroom setting to ensure their emotional well-being.

Reiterating the importance of ensuring student emotional safety, schools shall notify the parents of the 24/7 tele-counselling service accessible at **90990444**.

This information shall be prominently highlighted in the monthly/periodic circulars sent by the schools encouraging the parents and students to utilize this service in case they are facing any emotional challenges, stress, anxiety, or any related concerns.

Further, it shall also be informed that this tele-counselling initiative is **exclusively intended only for "counselling purpose"** and not to seek other routine information on schools such as admission vacancies, book store timings etc.

This is for your kind perusal and necessary compliance with immediate effect, please.

Thanking you and with warm regards,
