5th June 2022

SCIENCE TECHNOLOGY AND INNOVATION (STAI)

Dear Parents & Students,

Greetings!

The Science Technology and Innovation (STAI), an interschool event, under the aegis of the Board of Directors, Indian Schools Oman for the Academic Year 2022-23, will be hosted by Indian School Darsait in a blended form.

STAI is an instigating initiative by the Board of Directors and the most widely accepted Science and Technology event that provides opportunities to test the scientific, technical, literary, innovative skills and competencies of the ingenious young minds.

STAI 2022 will also witness the participation of Private, International and Ministry schools along with the Indian Schools in Oman.

The Inaugural Ceremony will be conducted on Saturday, 27th August 2022 and the Valedictory Function on Saturday, 3rd September 2022, respectively.

The STAI handbook is attached herewith. Students can select the event and prepare during holidays.

Names for participation will be collected after summer holidays.

Participate enthusiastically.

Regards,

Sanchita Verma
Principal
Indian School Sohar
